Limited Edition Portfolio of 50 with 15 Artists

This portfolio came together to help commemorate the achievements of LMAKprojects and showcase the events and art that have shaped our history. It is a collection of 14 archival C-prints and one sound work of artists with whom we have worked with over the past 5 years. The prints measure 8 x 10 inches, they are wrapped in glassine paper and presented in a box along with documentation about the gallery.

The artists featured in the portfolio are Sara Blokland, Lieven De Boeck, Andy Graydon, Nayda Collazo-Llorens, Elana Herzog, Liselot van der Heijden, Katie Holten, Boukje Jansen, Nava Lubelski, Gerald Petit, Carlos Rigau, Silvia Russel, Federico Solmi, Jen Stark, and Penelope Umbrico
